TEAMS Week 2002 is Monday-Friday at Von Braun Center

The Technological Excellence in Aviation, Missiles and Space (TEAMS) Week 2002 is focusing on workforce development and education all week at the Von Braun Center. Several conferences are scheduled including a "career night" Tuesday for soon-to-be retiring civil servants interested in a second career. Marshall Director Art Stephenson will speak Thursday at 8:30 a.m. on NASA's Integrated Space Transportation Plan. For a full conference agenda, including event times, visit the TEAMS 2002 Web site at: <http://www.hats.org/teams>

Marshall welcomes E-Teams College Day students
